

## SMAC-20: Conversation Starter Kit

The *Stop. Make a Change* programme is being run between **10 and 23 October 2020** to coincide with World Mental Health Day and the European Week for Safety and Health. This year we are asking everyone to '**Re-engage with their own Health, Safety & Wellbeing**' and to do this, we are suggesting that everyone engages in a Conversation Starter initiative.

To help get the best out of the discussions we would suggest:

- Put Tools Down & Turn Phones Off
- Gather Colleagues and Find a Quiet Place
- Open Conversation Starter Pack
- Commence Conversation – We suggest 1 hour minimum
- Record Key Comments
- Agree set of Actions
- Implement Changes.
